The latter in speaking shall confine himself to the subject matter under discussion and avoid personalities.

B. PERSONAL PRIVILEGE

No member shall request the floor upon a matter of personal privilege for the purpose of introduction of guests in the galleries unless the Presiding Officer shall have first announced that the general order of business of the Senate has been completed or suspended and that introduction of guests is in order.

Questions affecting the rights, reputation and conduct of members of the Senate in their representative

capacity are questions of personal privilege. A matter of personal explanation does not constitute a question of personal privilege.

C. CALLING A SENATOR TO ORDER

If any Senator in speaking (or otherwise) transgresses the rules of the Senate, the Presiding Officer shall, or any Senator may, call him to order, in which case the Senator so called to order shall sit down, unless permitted to explain; and the Senate if appealed to, shall decide on the case without debate. The Senate may punish its members for disorderly behavior, and with the concurrence of two-thirds of all Senators elected, expel a Senator but not a second time for the same cause; and the reason for such expulsion shall be entered upon the Journal with the names of the Senators voting on the question. (Constitution, Article IV, Section 6(d).)

The Senate during its session may punish by imprisonment any person other than a Senator guilty of disrespect to the Senate by disorderly or contemptuous behavior in its presence. No rule of the Senate shall be altered, suspended or rescinded, except by unanimous consent of the Senators present, or upon motion supported by affirmative vote on roll call of a majority of the Senators elected. Any alteration, suspension, or decision having the approval of the Committee on Rules may be adopted on roll call by a majority of the Senators present.

RULE 31

MOTIONS

(a.) No second shall be required to any motion presented to the Senate.

(b.) When a motion is made it shall be stated by the Presiding Officer, or being in writing, shall be handed to the Secretary and read aloud before debate.

(c.) Every motion, except to adjourn, recess or postpone further consideration, shall be in writing, if any Senator desires it, in which event the proponent of such motion may forthwith reduce the motion to writing and have action taken on it immediately.

RULE 32

MOTIONS

After a motion is stated by the Presiding Officer or read by the Secretary, it shall be deemed in the

possession of the Senate, but may be withdrawn at any time by the unanimous consent of the Senate before decision.

RULE 33

When a question is under debate, no motion shall be received, but

(a) To adjourn, (Not debatable. Member must have floor to make motion. See Rules 3, 31, 35, 52.)

(b) To question the presence of a quorum, (See Rule 3.)

(c) To recess, (Debatable only as to length of recess. See Rule 3.)

During a roll call no motion, except a motion to postpone further consideration, shall be in order until after the announcement of the result of the vote.

RULE 34

PRIORITY OF MOTIONS

A motion to commit or re-commit until it is decided, shall preclude all amendments and debate

on the main question. A motion to postpone indefinitely or to a day certain, until it is decided, shall preclude all amendments on the main question.

RULE 35

MOTION TO ADJOURN

A motion to adjourn shall always be in order except when the roll is being called and except when, a previous motion to adjourn having been defeated, no intervening business has been transacted.

Motions to adjourn or to lay on the table shall be decided without debate.

The yeas and nays shall be taken and entered upon the Journal upon every motion to adjourn.

RULE 36

MOTION TO POSTPONE

No motion—

To postpone to a day certain,

Or to commit, or re-commit,

After a roll call has been started, only a motion by the principal sponsor to suspend the roll call shall be considered.

A motion to postpone further consideration or to suspend a roll call on a bill or proposition may not be made more than once on the same bill or proposition.

RULE 37

MOTION TO TABLE

A motion to lay any particular proposition on the table shall apply to that proposition only.

RULE 38

MOTION ON DIFFERENT SUBJECT

No motion or proposition on a subject different from that under consideration shall be admitted under color of amendment.

RULE 39

QUESTION— DIVISION OF QUESTION

If the question in debate contains several points, any Senator may have the same divided. On motion to strike out and insert, it shall not be in order to move for a division of the question. The rejection of a motion to strike out and insert one proposition shall not prevent a motion to strike out and insert a different proposition.

RULE 40

RECONSIDERATION OF QUESTION OR NOTICE THEREFOR

When a question has been once put and carried in the affirmative or negative, it shall be in order for

a member of the prevailing side to move, on the same or following legislative day, that he will make such motion not later than the next legislative day following the day on which he gives said notice. During this time he shall have control of the motion. No motion for the reconsideration of any vote shall be in order after a bill, resolution, message, report, amendment or motion upon which the vote was taken shall have gone out of the possession of the Senate. No motion for reconsideration shall be in order unless made at the next actual session day of the Senate. However, should the Senator giving notice of the motion to reconsider not make the motion within the time prescribed by the rules, any other Senator voting with the prevailing side may make the motion within the next succeeding legislative day. Such motion shall take precedence of all other questions, except a motion to adjourn.

In the event that a motion to reconsider has been made within the time prescribed by the rules, but has not been acted upon because the Senate has not considered the order of business under which motions may properly be presented, the motion shall be considered in effect until the next legislative day upon which that order of business is reached. Under that order of business the motion shall be called up for a vote by the members making the motion, or it shall be deemed to have been withdrawn.

Whenever notice of a motion to reconsider is given, or a motion to reconsider is made, within the time prescribed by the rules, the Secretary of the Senate shall not allow the Bill, or other subject matter of the motion, to pass out of the possession of the Senate until after the motion has been decided or withdrawn.

A Senator who voted present or failed to vote on a question shall not have the right to move for reconsideration.

RULE 41

(b.) If a Bill shall fail to pass on account of not having received the constitutional majority any Senator having voted in the negative shall have a right to move a reconsideration, but a Senator who voted present or failed to vote on the bill shall not have the right to move for reconsideration.

RULE 42

PREVIOUS QUESTION

(a.) A motion for the previous question may be made, but may not be considered until every Senator who has sought recognition by the Presiding Officer prior to the motion has been given an opportunity to speak. The motion for the previous question is not debatable and requires approval of three-fifths of the Senators elected.

The previous question shall be stated in this form: "Shall the main question now be put?" and until the previous question is decided, all amendments and debate shall be precluded. When it is decided that the main question shall not be put, the main question shall be considered as still remaining under debate.

(b.) The effect of the main question being ordered shall be to put an end to all debate and bring the Senate to a direct vote on the immediately pending motion. After the motion for the previous question has been determined, it shall not be in order

to move for a call of the roll of the Senate (unless it shall appear by the yeas and nays as taken on the main question that no quorum is present), or to move to adjourn, prior to a decision on the main question.

RULE 43

JOINT ACTION

A. SUBJECT MATTER OF CONFERENCE COMMITTEE REPORTS

No subject shall be included in any conference committee report on any bill unless such subject matter directly relates to the matters of differences between the Houses which have been specifically referred to the Conference Committee, unless the Rules Committee, by a majority vote of those members selected and approved, determines that the proposed subject matter is of an emergency nature or of substantial importance to the operation of government.

No bill shall be passed and no report of any Conference Committee on any bill shall be considered unless the bill or report has been printed in its final form and placed on the desks of the members at least one full legislative day prior to the final passage of the bill or the consideration of the report. Prior to any report of a Conference Committee on an appropriation bill being considered by the Senate, the report shall be considered by the Appropriations Committee that first heard the bill. A hearing on such matter shall be held in a Senate hearing room after due notice having been provided to the public and to the members of the Senate.

B. CALLING BILLS

Any Senate Bill amended in the House and returned to the Senate for concurrence in the House amendment shall lie upon the desk of the Secretary one full legislative day before being further considered.

No Senate Bill which shall be returned to the Senate with House amendments shall be called from the Secretary's desk except by the principal sponsor.

C. CONCURRING IN OR RECEDING FROM AMENDMENTS

1. If a bill or resolution is received back in the Senate with amendments added by the House, it shall be in order to present a motion "to concur" or "not to concur and to ask the House to recede" with respect to those amendments. Any two members may demand a separate roll call on any such amendment.

2. When the House has refused to concur in amendments added to a bill or resolution by the Senate and has returned the bill to the Senate with a message requesting the Senate to recede from its amendments, it shall be in order to present a motion "to recede" from the Senate's amendments or "not to recede and to request a conference". Any two members may demand a separate roll call on any such amendments.

D. CONFERENCE COMMITTEES

1. All Senate members of the Conference Committees, Special Committees, Senate Commissions and Joint Commissions, shall be selected and named by the Committee on Committees, unless otherwise provided by statute.

2. A disagreement between the two houses exists, with respect to any bill or resolution in the following situations:

(a) When the House refuses to recede from the adoption of any amendment, after the Senate has previously refused to concur in the amendment; or

(b) When the Senate refuses to recede from the adoption of any amendment, after the House has previously refused to concur in the amendment.

3. In every case of disagreement between the two houses, the Senate may request a conference. When such a request for conference is made, each house shall appoint a committee to confer with the other upon the subject of the bill or resolution giving rise to such disagreement. The combined committees of the two houses appointed for such purposes is the conference committee.

4. (a) The conference committee shall consist of an equal number of members of each house. The number of majority party members from each house shall be one more than the number of minority party members from each house. A conference committee shall consist of 5 members from each house.

(b) The presiding officer of the house in which the bill or resolution originated shall designate the Chairman of the conference committee.

5. The conference committee shall meet upon reasonable public notice given by the chairman and at such time and place as may be convenient and, having conferred freely, shall report to both houses the results of the conference.

6. Motions with respect to requests for a conference committee shall be in order in each house unless an appropriate order of business is established for such motions.

E. CONFERENCE COMMITTEE REPORTS

(1) The report of a conference committee on a non-appropriation bill shall be confined to the subject of the bill or resolution referred to the committee.

(2) The report of a conference committee shall be presented by the chairman to each conference committee member for consideration.

(3) No conference committee report shall be received by the Secretary of the Senate, or acted upon by the Senate, unless it has been signed by at least six conferees. Such report shall be signed in duplicate. One of the reports shall be filed with the Clerk of the House and one with the Secretary of the Senate. The report shall contain the agreements reached by the committee.

(4) In event the conference committee determines that it is unable to reach agreement, the committee shall so report to each house and request appointment of a second conference committee. In the event of agreement, the committee shall so report to each house.

F. ACTION ON CONFERENCE COMMITTEE REPORTS

1. Each house shall inform the other by message of any action taken with respect to the report. Copies of all papers necessary to a complete understanding of any such action shall accompany such message. The original bill or resolution shall remain in the house of origin.

2. In event either house refused to adopt the report of the conference committee, or the first conference committee is unable to reach agreement, either house may request a second conference committee. When such a request is made, each house shall again appoint a committee. In the event either

house refuses to adopt the report of a second conference committee, the two houses shall have adhered to their disagreement, and the bill or resolution is lost.

RULE 44 THE PRESIDENT

(a) **ELECTION OF THE PRESIDENT.** Prior to the election of a President of the Senate, the Governor shall convene the Senate; designate a Temporary Secretary of the Senate and preside during the nomination and election of the President.

As the first item of business each day, the Governor shall order the Temporary Secretary to call the roll of the members elected to establish the presence of a quorum as required by the Constitution. If a quorum is not present, the Senate shall then stand in adjournment until the hour of twelve o'clock noon on the next calendar day.

If a quorum of the members is present, the Governor shall then call for nominations of members for the Office of President. When the nominations are completed, the Governor shall direct the Temporary Secretary to call the roll of the members to elect a President.

The election of a Senate President shall require a vote of approval by a majority of the members elected.

(b) The president or in his absence any Senator called to the Chair by the President, shall take the Chair every day precisely at the hour to which to Senate shall have adjourned and shall immediately call the Senators to order. On the appearance of a quorum, he shall cause the Journal of the preceeding day to be read, or if the provisions of Rule 4 are applicable and if request is made by the sponsor of

an item of business which was unfinished at the conclusion of the Session of the preceeding legislative day, he shall announce consideration of that unfinished business.

(c) All processes issued by order of the Senate, or any of its Committees, shall be signed by the President.

(d) The Presiding Officer shall preserve decorum and order; may speak to points of order in preference to other members, arising from his seat for that purpose and shall decide questions of order subject to an appeal to the Senate by any two Senators—on which appeal no Senator shall speak more than once, unless by leave of the Senate. The Presiding Officer shall decide and announce the result of any vote taken.

The President shall have the right to vote on all questions, and on all questions, he shall vote last.

RULE 45

APPEALING A RULING OF THE PRESIDING OFFICER

In any appeal taken from a ruling of the Presiding Officer, the Presiding Officer shall be sustained unless three-fifths of the Senators elected vote to overrule him.

RULE 46

APPROVAL OF THE JOURNAL

The President shall examine and report to the Senate in writing any corrections he deems should be made in the Journal before it is approved. If said

corrections are approved by the Senate, they shall be made by the Secretary. Upon announcement by the President that he has been unable, for good cause, to examine the Journal prior to reaching that order of business, the approval of the Journal may be deferred. The President shall examine the Journal and report to the Senate as soon as possible thereafter.

RULE 47

SECRETARY OF THE SENATE

The Secretary of the Senate shall be the custodian of all Bills introduced in the Senate, or reported from the House. The Bills shall be kept in his office, and shall be withdrawn from his office only when required for printing or by the respective standing or special committees of the Senate. On the order of the chairman or acting chairman of a committee, and the clerk of the committee or person delivering the order at the Secretary's office shall write his name upon the bill report before removing any Bill from the Secretary's office. No Bills shall be withdrawn from the Secretary's office in any other manner.

No copies of original Bills shall be made by any person, except an employee of the Legislative Reference Bureau engaged in preparing material for the Legislative Digest, while in the hands of the printer or committee.

The foregoing provisions shall not apply to printed copies of Bills.

RULE 48

SECRETARY OF THE SENATE

All assistant secretaries and other employees of the Secretary of the Senate's office shall report to him and be under his supervision and control.

RULE 49

SERGEANT-AT-ARMS

It shall be the duty of the Sergeant-at-Arms and his Assistant Sergeant-at-Arms to attend the Senate during its sessions, to execute the commands of the Senate, together with all such process issued by authority thereof as shall be directed to them by the President.

RULE 50

ENROLLING CLERK

The Enrolling and Engrossing Clerk and his assistants shall be under the control and supervision of the Secretary of the Senate.

RULE 51

ROBERT'S RULES

The rules of parliamentary practice comprised in Robert's Rules of Order shall govern the Senate in all cases to which they are applicable, providing they are not inconsistent with the standing rules and orders of the Senate.

RULE 52

LENGTH OF ADJOURNMENT

The Senate shall not adjourn, without the consent of the House of Representatives, for more than three days, nor to any other place than that in which the

two Houses shall be sitting. (Constitution, Article IV, Section 15(a).)

RULE 53

CONSIDERATION OF VETOES

Upon the receipt by the Senate of any bill returned by the Governor under any of the provisions of Section 9 of Article IV of the Illinois Constitution, the Secretary of the Senate shall enter the objections of the Governor on the Journal.

RULE 54

CONSIDERATION OF VETOES

Motions with respect to bills returned by the Governor may be made by the sponsor or by any member who voted on the prevailing side on the vote on final passage of the bill in question. Every motion shall be filed in writing with the Secretary prior to any consideration thereof by the Senate. If more than one motion is filed with respect to any bill, all such motions shall be heard at the time the bill is called. The motion of the sponsor shall be considered first and all other motions considered in the order filed. If the sponsor does not call a bill within eight calendar days after the Governor's objections to such bill are entered in the Journal, thereafter any person filing such a motion may call such bill.

RULE 55

CONSIDERATION OF VETOES

a) The vote to override a bill vetoed in its entirety shall be by roll call vote and shall be entered on the

Journal. The form of motion with respect to such bills shall be: "I move that _____ Bill _____ do pass, the veto of the Governor to the contrary notwithstanding."

b) The vote to override an item veto shall be by roll call vote as to each item separately and shall be entered on the Journal. The form of motion with respect to such item shall be: "I move that the item on page _____, line _____, of _____ Bill _____, do pass, the item veto of the Governor to the contrary notwithstanding."

c) The vote to restore an item which has been reduced shall be by roll call vote as to each item separately and shall be entered on the Journal. The form of motion with respect to such items shall be: "I move the item on page _____, line _____, of _____ Bill _____ be restored, the item reduction of the Governor to the contrary notwithstanding."

d) A bill returned together with specific recommendations of the Governor may be acted upon in either of the following manners:

(1) By a motion to accept the specific recommendations of the Governor. The form of motion in this event shall be: "I move to accept the specific recommendations of the Governor as to _____ Bill _____ in manner and form as follows: (inserting herein the language deemed necessary to effectuate the specific recommendations)", or

(2) By considering the bill as a vetoed bill and overriding the recommendation and passing the bill in its original form. The form of motion in this event shall be: "I move that _____ Bill _____ do pass, the specific recommendations of the Governor to the contrary notwithstanding."

RULE 56

CONSIDERATION OF VETOES

In the event a bill is returned by the Governor containing more than one veto, reduction, specific recommendation, or combination thereof, the bill shall be acted upon in its entirety before the bill is released from the custody of the Senate.

RULE 57

CONSIDERATION OF VETOES

When a bill or item received the affirmative vote of at least 3/5 of the members elected (as to outright vetoes and item vetoes) or the affirmative vote of at least a majority of the members elected (as to reductions or bills returned with specific recommendations for change), the Presiding Officer shall declare that the bill or item has been passed or restored over the veto of the Governor, as the case may be. The bill shall then be so certified by the Secretary who shall note thereon the day the bill passed. Such bill and the objections of the Governor thereto shall then be immediately delivered to the House.

When specific recommendations have been accepted, then such accepting language shall be attached to the original bill which bill shall be delivered to the House.

HOUSE RULES

I

ORGANIZATION

1. ELECTION OF OFFICERS.

At the first meeting of the House of each General Assembly, the Secretary of State shall preside until the House elects from its membership a Speaker of the House of Representatives as presiding officer. The Secretary of State shall first appoint a temporary Clerk who will call the roll of the members elect as shown by the official elections returns on file with the State Board of Elections. The Secretary of State shall then ask a member of the judiciary to administer the oath of office to the members elect who are present.

If a quorum of the members is present, the Secretary of State shall then call for nominations of members for the office of Speaker. When the nominations are completed, the Secretary of State shall direct the temporary Clerk to call the roll of the members to elect a Speaker. In each election, the person receiving a majority of the votes of the members elected shall be declared elected Speaker.

The Speaker shall then relieve the Secretary of State as presiding officer and the House shall proceed to elect a Clerk, Assistant Clerk and Doorkeeper who are not members of the House. In each election, the person receiving a majority of the votes cast shall be declared elected Clerk or Doorkeeper. The person receiving the second highest number of votes for Clerk shall be declared the Assistant Clerk.

2. MAJORITY AND MINORITY LEADERSHIP.

After the officers of the House have been elected and before any legislative business is transacted, the

Speaker and Minority Leader shall appoint the members of the Majority and Minority Leaderships. The Speaker shall appoint one Majority Leader, four Assistant Majority Leaders, two Majority Whips, and a Majority Caucus or Conference Chairperson.

Except as otherwise provided in this Rule, the Minority Leader is the leader of the numerically strongest political party other than the party to which the Speaker belongs. However, if the member elected Speaker received at least 31 votes from members who were not affiliated at the last general election with the political party which the Speaker was affiliated with at the last general election, then the Minority Leader shall be the member selected as its leader by the conference of the political party with which the Speaker was affiliated at the last general election. The Minority Leader shall appoint four Assistant Minority Leaders, two Minority Whips and a Minority Caucus or Conference Chairperson. The Minority Leader shall appoint the minority party members of committees.

The Minority Leader shall have general supervision of the Minority leadership staff.

3. PERMANENT SEATS, OFFICES, SECRETARIES, AND PARKING SPACES.

(a) After the appointment of the Leadership pursuant to Rule 2, the House shall proceed directly to the selection of seats. The House shall be in recess while the floor is cleared. The leaders shall choose their seats in the following order: (1) Majority Leader; (2) Minority Leader; (3) four Assistant Majority Leaders; (4) four Assistant Minority Leaders; (5) two Majority Whips; (6) two Minority Whips; (7) Majority Caucus or Conference Chairperson; and (8) Minority Caucus or Conference Chairperson. The Clerk shall place the names of the

remaining members in separate boxes according to seniority. The Clerk shall then draw from each box one name at a time according to seniority and announce each name. If two or more members have the same status in seniority, those members shall choose their seats in an order determined by lot. Each member may thereupon choose his seat in the order called.

(b) The Speaker shall assign the offices, secretaries and parking spaces for the members of the Majority Leadership, and the Minority Leader shall make those assignments for the members of the Minority Leadership. The Chief Clerk shall coordinate the assignment of offices, secretaries and parking spaces for the remaining members of the majority party on the basis of seniority, and the Assistant Clerk shall coordinate those assignments for the remaining members of the minority party on the basis of seniority. If 2 or more members of the same political party have the same status in seniority, those members shall be assigned an office, a secretary and a parking space in an order determined by lot.

9. CONSENT CALENDAR.

(a) The Clerk shall print a Consent Calendar on the daily calendar and designate it as a separate calendar. The Consent Calendar shall contain three orders of business: Consent Calendar — Second Reading, Consent Calendar — Third Reading, and Consent Calendar — Resolutions. Within each order of business, bills or resolutions shall be listed in separate groups according to the number of required days each has been on that order of business on the Consent Calendar. No more than 80 bills and resolutions shall be listed in each group. All bills or resolutions to which amendments have been adopted shall be so designated.

(b) No debate is in order regarding any item on the Consent Calendar. However, the Speaker shall allow a reasonable time for questions from the floor

and answers to those questions. No amendment from the floor is in order regarding any bill or resolution on the Consent Calendar.

(c) A bill on the Consent Calendar shall stand for two legislative days on the order of Consent Calendar — Second Reading, and for at least two legislative days on the order of Consent Calendar — Third Reading, before a vote on the final passage may be taken. Resolutions on the Consent Calendar shall stand for at least four legislative days before a vote on adoption may be taken. One roll call vote on final passage shall be taken on those bills called for final passage. Immediately prior to a vote on the bills on the Consent Calendar the Speaker shall call to the attention of the members the fact that the next roll call will be the roll call on the Consent Calendar.

(d) A bill or resolution may be placed on the Consent Calendar by report of a standing committee upon a motion adopted by a unanimous vote of the members present. For purposes of this Subsection (d), a unanimous vote on the motion is a vote with no member voting nay.

(e) No bill regarding revenue or appropriations may be placed on the Consent Calendar. No resolution requiring 60 or more affirmative votes for adoption and no bill requiring more than 60 affirmative votes for passage by the House may be placed on the Consent Calendar.

(f) The Speaker and Minority Leader shall each appoint three members who may challenge the presence of any bill or resolution on the Consent Calendar. Prior to a vote on final passage of any item on the Consent Calendar, the item shall be removed from the Consent Calendar if:

(d) Bills may be given Short Debate Status by the following procedure: The Speaker and the Minority Leader shall each appoint two members of the House for each standing committee to review the bills on Third Reading which were reported by that committee, other than the Appropriations Committees. Any such bill shall be given Short Debate Status by concurrence of three of the four members appointed to review the bills from the particular committee which reported it. Designations of Short Debate Status shall be filed with the Clerk.

(e) Bills with Short Debate Status on an order of business shall be called on that order pursuant to Rule 39, but debate on final passage shall be limited to a two-minute presentation by the chief sponsor or a proponent designated by him, a two-minute presentation by an opponent, and one minute for the

chief sponsor to close the debate. However, the Speaker shall allow a reasonable time for questions from the floor and answers to those questions. At the request of any 7 members before the sponsor commences his closing remarks, the bill or resolution shall be opened to full debate.

(f) Any bill or resolution with Short Debate Status that is amended on the floor shall continue to have Short Debate Status on final passage unless a member objects at the time it is advanced to that order.

11. CHANGING ORDER OF BUSINESS.

(a) A special order of the day or a special order of business may be set by the Rules Committee or by the Speaker. A special order with respect to a bill or resolution shall require the consent of the chief sponsor. A special order shall fix the day to which it applies and the matters to be included. The Rules Committee, by a vote of $\frac{2}{3}$ of its membership, may establish time limits for a special order and may establish limitations on debate during a special order, in which event the allotted time shall be fairly divided between proponents and opponents of the legislation to be considered. A special order of the day shall take the place of the standing order. A special order of business shall take the place of the standing order for such time as may be necessary to its completion. Only matters which may otherwise

properly be before the House may be included in a special order.

(b) A special order shall appear on the Daily Calendar for three legislative days. This Subsection (b) may be suspended only upon an affirmative vote of 71 members.

(c) A special order may be suspended, amended, or modified by motion adopted by an affirmative vote of 60 members. (b) The time of the posting may not be later than 12 o'clock noon on the day following the regularly scheduled meeting day for the committee but not less than 6 ½ days prior to the meeting for which the bills are posted. However, for a committee meeting during a legislative week when the regular meeting time is less than 7 days after the regular meeting time for the previous legislative week due to the rescheduling of the regular committee meeting times for either week, notice must be posted not less than 4 ½ days prior to the meeting and not later than noon of the day following the prior meeting. For purposes of this Rule, a half-day begins or ends at noon.

(c) Promptly after posting, the Clerk shall deliver a copy of the Notice of Posting to the Speaker, Minority Leader, Leadership positions of both the Majority and Minority parties, and all members of the committee for which the posting is being made.

(h) No bill or resolution may be heard or any vote taken thereon in any committee or subcommittee unless notice thereof is made pursuant to Rule 20, except for a vote to refer the matter to a subcommittee or the interim study calendar where the chief sponsor has been given one day prior notice and does not object. Notice of a vote to sponsor a proposed committee bill shall be given by specifying the subject matter of the bill or by specifying that the proposed bill is a substitute for enumerated bills.

(i) No bill or resolution may be posted for hearing in committee until printed copies are available in the bill room. No bill or resolution may be called in a committee unless a copy is available and distributed to every committee member at the time of the hearing. No amendment may be voted upon in committee unless it is available and distributed to members of the committee at the time of the roll

call on the amendment. This Subsection may only be suspended prospectively.

(j) No committee may post more than 50 bills and resolutions for one meeting. A committee may schedule more than one meeting during a week, but it must follow the posting and notice requirements of Rule 20 separately for each such meeting.

(k) This Rule may be suspended only upon an affirmative vote of 71 members. A motion to suspend the posting requirements of this Rule must be in writing, specifying the committee and the bills or resolutions to which the motion applies, and shall be carried on the calendar before it may be taken up by the House. The calendar requirements of this paragraph may be suspended only by unanimous consent, but the requirement that the motion be in writing may not be suspended.

(c) When a committee meeting takes place in the House Chamber, the provisions of Rule 64 apply. Access to the chamber is restricted to members and authorized persons only. The chairman shall assign seats to witnesses appearing before the committee.

(d) In all committee meetings not in the House Chamber, the House Rules shall be observed insofar as they are applicable.

(e) The chairman of a committee is responsible for ensuring that the appropriate rules of the House

are observed and proper decorum and order practiced in all committee meetings.

(f) No proposed committee bill shall be considered for sponsorship by a committee unless copies thereof have been made available to the members of the committee.

22. SUBCOMMITTEES.

The chairman and members of a subcommittee shall be appointed by the chairman of the full committee provided that the minority party members shall be appointed pursuant to the recommendations of the minority spokesman. The chairman shall notify the Clerk of the House of the creation and membership of each subcommittee. A subcommittee member may be temporarily replaced by the chairman or minority spokesman of the full committee when the absence of the assigned member is unavoidable. If the replacement is not a member of the full committee, the approval of the Speaker or Minority Leader shall be required. A bill assigned to a committee may be referred by the committee to a subcommittee, in which event the chairman shall immediately notify the Clerk of the House and the chief sponsor of the bill.

23. PLACE OF MEETINGS.

The Speaker shall assign the meeting rooms to be used by each committee and sub-committee.

24. MEETINGS DURING SESSION.

(c) A motion to foreclose further oral testimony by witnesses on a matter before a standing committee may be adopted only by a $\frac{2}{3}$ majority of those voting on the motion. No such motion shall be in order until both proponents and opponents requesting to be heard have been given a fair and substantial opportunity to express their positions. No one shall be prohibited from filing for the record "Record of Committee Witness" forms or written statements while the matter is before the committee.

(d) Meetings of committees and sub-committees shall be open to the public. Committee meetings of the House may be closed to the public if two-thirds of the members elected to the House determine that the public interest so requires.

(e) This Rule cannot be suspended retroactively.

- (2) That the bill "do not pass";
- (3) That the bill "do pass as amended";
- (4) That the bill "do not pass as amended";
- (5) That the resolution "be adopted";
- (6) That the resolution "not be adopted";
- (7) That the resolution "be adopted as amended";
- (8) That the resolution "not be adopted as amended";
- (9) A substitute bill or resolution;
- (10) That the bill or resolution was tabled in committee.

(b) Unless a member of the Committee objects, a bill or resolution shall be given Short Debate Status by report of the standing committee if the bill or resolution was favorably reported by a unanimous vote of the members present as defined in Rule 9(d). Except as provided in Rule 9(e), bills and resolutions receiving favorable reports may be placed upon the consent calendar upon a motion adopted by a unanimous vote of the members present as defined in Rule 9(d).

(c) No bill or resolution shall be reported without a recommendation except by the Committee of the Whole House. For purposes of definition, the foregoing recommendations (1), (3), (5) and (7) are favorable reports, recommendations (2), (4), (6) and (8) are unfavorable reports, and a reported substitute is an unfavorable report as to the bill or resolution substituted. The report shall show both the numerical vote and the roll call vote on the bill or resolution. A bill or a resolution requiring 60 or 71 votes for adoption by the House may not be reported "do pass", "do pass as amended", "be adopted" or "be adopted as amended" except upon the affirmative vote of a majority of the members appointed to a standing committee. Notwithstanding the unanimous

consent of the members present, a prior roll call shall not be used for a committee vote when any member on that roll call is not present.

(d) No bill or resolution may be voted on more than twice in any committee on motions to report the bill or resolution favorably to the House, or to reconsider the vote by which the committee adopted a motion to report the bill or resolution unfavorably. A bill or resolution having failed to receive a favorable recommendation after two such roll calls shall be automatically reported with the appropriate unfavorable recommendation. No bill or resolution shall be called for a vote in committee in the absence of the chief sponsor, without the written approval of the chief sponsor. For purposes of this paragraph, a vote in committee is held as soon as a roll call is commenced.

(e) Amendments offered in committee shall be numbered sequentially in the order submitted, and shall retain such number and be part of the permanent record whether or not adopted and notwithstanding their withdrawal or tabling. Amendments to an amendment shall be in order only with the consent of 3/5 of the members present in Appropriations Committees or with the unanimous consent of the members present in other committees, and if considered shall be numbered sequentially in the order submitted and voted upon prior to the vote on the main amendment. If a bill is reported as amended by an amendment which has itself been amended, the committee shall report the main amendment as amended, and shall not separately report the subsidiary amendments.

(f) A chief sponsor of a bill or resolution may offer amendments in committee. The first page of any amendment offered in committee by a member of the committee at the request of another member of the House who is not a member of the committee shall

display the name of such other member following the name of the committee member.

(g) When a committee reports a committee bill or resolution favorably, the chairman shall designate a member of the committee to be floor manager who shall act as sponsor of the bill or resolution on the floor. This designation shall be reported with the bill or resolution and shall be indicated on the Daily Calendar.

(h) No member of a committee may vote except in person at the time of the call of the vote.

27. SCHEDULING OF BILLS IN COMMITTEE.

(a) The chairman of the committee or of a subcommittee thereof shall set each bill or resolution within 30 days after it is referred to the committee. If a chairman fails or refuses to do so, 35 percent of the members appointed to the committee or subcommittee may act to set a bill or resolution. Each bill shall, if requested by its chief sponsor, have a hearing by the committee or by a subcommittee thereof prior to the 45th day after its assignment to a committee.

(b) Upon an affirmative vote of two-thirds of the members appointed to a committee, a bill or resolution may be assigned to the committee's Interim Study Calendar. A resolution placed on the Interim Study Calendar cannot be reported out of the committee until the first legislative day following the Governor's delivery of the annual budget message in the following year. A bill placed on the Interim Study Calendar cannot be reported out of the committee unless exempt under Rule 29 (c).

Any bill not acted upon in compliance with these deadlines shall be automatically tabled, except bills on the Interim Study Calendar.

(e) In the even numbered year, the final dates for committee action on bills shall be as follows, and bills not acted upon in compliance with the applicable deadline shall be automatically tabled, except bills on the Interim Study Calendar:

28. COMMITTEE RECORDS.

(a) The chairman of each committee shall keep a record of the following:

- (1) The time and place of each meeting.
- (2) The attendance of committee members at each meeting.

(3) The "Record of Committee Witness" forms executed by each person appearing or registering in each committee meeting, which shall include identification of the witness, the person, group or firm represented by such appearance and the capacity in which such representation is made (if the person is representing someone other than himself), his position on the legislation under consideration, and the nature of his desired testimony.

(4) The vote of each member on all motions, bills, resolutions and all amendments acted upon, copies of all amendments offered in committee and a record of the disposition thereof.

(5) A tape recording of the proceedings.

(b) The record shall be approved by the chairman after each committee meeting.

(c) The committee clerk shall file with the Clerk of the House a committee record envelope for each bill or resolution reported upon containing the "Committee History", the "Committee Action Report", and all "Record of Committee Witness" forms, relating to the bill or resolution. All committee reports shall be signed by the chairman or by the vice chairman with the chairman's approval. The Clerk of the House shall record the committee's roll call vote on each bill or resolution, together with the date of the vote, in the House Journal. He shall also file the committee record envelope of each bill numerically in such a manner as is accessible for everyone. During the session the file shall remain in his office and thereafter in the office of the Secretary of State. The record returned to the Clerk shall include a copy of all written material presented to the committee, all votes taken in connection with the

matter reported, and copies of all amendments filed, and any tape recordings.

(d) The minority spokesman shall have access to and the right to duplicate the committee records. This provision shall not be a limitation on the rights of other members or the public to official records.

V

BILLS

29. INTRODUCTION, RESTRICTIONS.

(a) The original of each bill introduced shall be filed with nine copies at the office of the Clerk of the House. Bills may be introduced by members or by committees. The chief sponsor shall be the first name to appear on the bill and may be joined by no more than four additional principal sponsors with the approval of the chief sponsor. Their names shall appear, separated by hyphens, on the front of the bill and in the references to that bill in the calendars and in the Legislative Synopsis and Digest. Committee bills must be approved by a majority of the membership of the committee. Committee bills may not have individual sponsors. Other bills may have co-sponsors with the approval of the chief sponsor.

(b) Except with respect to the consideration of bills following gubernatorial action thereon, the following limitations shall apply to consideration of all bills by the House in a biennial session, including any special session:

1. To be considered by June 30 of an odd numbered year, a House Bill offered by one or more members must be requested from the Legislative Reference Bureau by March 15 or filed by April 7 of that year, a House Bill offered by a committee of the House must be filed by April 14 of that year,

and a Senate Bill must be introduced in the House by May 30 of that year or exempt under subsection (c).

2. To be considered after June 30 or after the adjournment of the Spring Session of an odd-numbered year, whichever occurs later, a bill must be exempt under Subsection (c).

(c) Subsection (b) does not apply to the following categories of bills which are exempt from the restrictions of that Subsection:

1. A bill appropriating funds introduced between the second Wednesday in January and the first Friday in April of the even-numbered year;

2. A bill introduced by a standing committee of the House or Senate. However, this exemption does not apply to committee bills introduced in the house of origin between the third Friday in April and June 30 of any year;

3. A bill determined by a majority of all the members of the Rules Committee to be an emergency bill or to be important for the operation of government. Consideration of bills by the Rules Committee for determination of exempt status shall require two days notice by the posting procedures specified in Rule 20.

4. During the Spring Session in the even-numbered year, a bill carried over from the odd-numbered year on the Interim Study Calendar of a standing committee on which public hearings have been conducted by the committee or one of its subcommittees during the period from July 1 of the odd-numbered year until the Spring Session of such even-numbered year. The Spring Session of an even-numbered year shall be deemed to commence on the first session day after the Governor's budget message.

5. During the Spring Session in the even-numbered year, a bill transferred from the Daily Calendar of the Spring Session of the odd-numbered year

by motion adopted by an affirmative vote of 60 members prior to the applicable deadline for consideration on final passage.

(d) The first page of the bill shall contain a synopsis prepared by the Legislative Reference Bureau. Every House Bill and Constitutional Amendment Resolution must be drafted or retyped by the Legislative Reference Bureau and contain an indication thereof and no such bill or resolution may be amended on its face before being introduced.

(e) Appropriation Bills for the offices of Governor, Lieutenant Governor, Attorney General, Secretary of State, Comptroller, Treasurer, Auditor General and Office of Education shall be filed by separate bills for each office.

(f) Appropriation Bills and amendments thereto shall be limited to the subject of appropriations. For the purposes of this rule, appropriation items relating to capital expenditure, including maintenance, which are appropriated from the General Revenue Fund shall be deemed to be within both operations and capital categories.

(g) This rule may be suspended or amended only by an affirmative vote of 71 members, except that Subsections (b) and (c) of this rule may not be suspended.

30. LEGISLATIVE SYNOPSIS AND DIGEST.

In the Legislative Synopsis and Digest issued weekly during the session, only the name of the chief sponsor who introduced a bill or resolution and the name of the first four other principal sponsors or co-sponsors shall be indexed with the number of any bill of which the member is the chief sponsor or a principal sponsor. In every issue of the Synopsis and Digest all co-sponsors shall be shown in the main part of the Digest where bills and resolutions are listed

in numerical order. When a bill or resolution is acted upon by a committee, the Digest shall indicate that numerical vote by which the bill or resolution was reported.

31. THREE READINGS.

A bill shall be read by title on three different days in the House.

32. SENATE BILLS.

(a) When a Senate Bill is delivered to the Clerk of the House the bill and the message accompanying it shall be reported to the House at the earliest opportunity. It shall then be placed upon the order of Senate Bills — First Reading.

(b) When a House member identifies himself or herself to the Clerk as the House Sponsor, the bill shall then be read a first time. The chief sponsor shall be the first name to appear and may be joined by no more than four additional principal sponsors with the approval of the chief sponsor. Their names shall appear, separated by hyphens, in the reference to that bill in the calendars and shall be reported in the Legislative Synopsis and Digest.

(c) The name of each House sponsor shall be printed on the calendar in brackets.

(d) The Senate sponsor may remove a House sponsor by notifying the Clerk in writing. The Clerk shall forward copies of the notification to the Speaker, the Minority Leader and the House sponsor who has been removed.

(e) After being read a first time, each Senate Bill shall be referred to the Committee on Assignment or referred by the Speaker to a Committee of the

Whole and treated the same as a House Bill, except as otherwise provided by these rules.

33. ASSIGNMENT OF BILLS.

(a) When a bill is introduced, it shall be read a first time and thereupon be sent to the Committee on Assignment.

(b) A bill may be advanced to the order of Second Reading without reference to committee, but only upon a motion adopted by an affirmative vote of 71 members. Such motion shall be in writing and shall be carried on the calendar before being taken up by the House. The calendar requirements of this Subsection (b) may be suspended only by unanimous consent.

(c) The Speaker may, at his discretion, lay any bill or resolution before the House acting as a Committee of the Whole, in lieu of reference to committee by the Committee on Assignment. The Committee on Rules may, at any time before a bill or resolution is posted for hearing by a standing committee, lay such bill or resolution before the House acting as a Committee of the Whole, notwithstanding an assignment of such bill or resolution to a committee by the Committee on Assignment. No bill or resolution shall be considered in the Committee of the Whole House until the provisions of Rule 20 have been complied with. If the House refuses consent to such assignment, the Committee on Assignment shall refer the bill or resolution to the appropriate committee.

(d) In forming a Committee of the Whole House, the Speaker shall leave his chair and appoint an Acting Chairman to preside over the Committee of the Whole. No amendment may be offered to any bill or resolution while being considered by a Committee of the Whole. Upon the adoption of a motion to

report a bill or resolution referred to it, the Committee of the Whole shall report the matter without recommendation.

(e) All bills providing for an expenditure of public funds shall be referred or re-referred to one of the Committees on Appropriations before final action is taken in the House. All bills, except those bills making a direct appropriation, the purpose or effect of which is to increase or decrease the revenues of the State, either directly or indirectly, shall be referred or re-referred to the Committee on Revenue before final action is taken in the House.

(f) Once a bill or resolution has been assigned to a committee by the Committee on Assignment, it may be reassigned, by the Committee on Assignment or by motion adopted by a vote of 60 members at any time. If an Appropriations Bill which has one or more companion bills has been assigned to one of the Committees on Appropriations, the Committee on Assignment may assign the companion bill or bills to the same Committee on Appropriations at any time if the chief sponsor of the bills requests such reassignment in writing of the Committee on Assignment. The Committee on Assignment may not reassign bills or resolutions unless at least one member of the majority party and one member of the minority party assigned to the Committee on Assignment are present.

(g) During regular and special sessions of the House, no bill may remain within control of the Committee on Assignment for a period exceeding three legislative days. This Subsection may be suspended only upon the affirmative vote of 71 members.

**34. FISCAL, JUDICIAL, STATE DEBT IMPACT,
PENSION IMPACT AND CORRECTIONAL BUDGET
AND IMPACT NOTES, LAND CONVEYANCE
APPRAISALS AND STATE MANDATES.**

(a) Whenever a fiscal, judicial, State debt impact, pension system impact or correctional budget

and impact note may be required for a bill, whether by statute or by the request of a member of the House, the chief sponsor of the bill shall obtain the note in the manner provided by law.

(b) In order to give proper notice to the chief sponsor of a bill, the Legislative Reference Bureau shall affix to the original of all bills which it prepares or types a stamp indicating if a bill creates or expands a State mandate, as defined in paragraph (b) of Section 3 of The State Mandates Act, and if a fiscal, judicial, State debt impact, pension system impact or correctional budget and impact note may be required or requested for the bill by the terms of the applicable statute. The Legislative Reference Bureau shall also place an abbreviation or symbol following the listing of each House Bill in the Legislative Synopsis and Digest indicating that a fiscal, judicial, State debt impact, pension system impact or correctional budget and impact note may be required or requested.

(c) Whenever a chief sponsor obtains a fiscal, judicial, State debt impact, pension system impact or correctional budget and impact note, it shall be filed in the Clerk's office with a time stamp endorsing the date and hour of filing. The note shall then be attached to the original of the House Bill and be available for inspection by House members. The Clerk of the House shall notify the Legislative Reference Bureau that such note has been filed and shall deliver to the Bureau a copy of each note filed. In subsequent issues of the Legislative Synopsis and Digest, the Legislative Reference Bureau shall publish the fact that the fiscal, judicial, State debt impact, pension system impact or correctional budget and impact note has been filed and, in the case of a fiscal or correctional budget and impact note, shall set forth the estimate of the anticipated change in

State expenditures or revenues as contained in such note.

(d) If the chief sponsor of a bill obtains a fiscal, judicial, State debt impact, or correctional budget and impact note for the bill prior to a committee hearing on the bill, he shall present a copy of the note to the members of the committee at or before the hearing.

Before a bill requiring a pension impact note may be heard in committee, a pension system impact note must be filed with the committee clerk. Sufficient copies of the pension system impact note must be filed so each member of the committee shall receive a copy. The pension system impact note shall be prepared by the Economic and Fiscal Commission of the Joint Committee on Legislative Support Services. If the bill is reported out favorably, the committee shall file a copy of the pension system impact note in the Clerk's office and the note shall be treated as set forth in paragraph (c) herein.

(e) If a fiscal, judicial, State debt impact, pension system impact or correctional budget and impact note has been requested by any member, the bill shall be held on the order of Second Reading until the note has been supplied or determined to be inapplicable.

(f) Whenever a bill requiring a fiscal or judicial note is amended in committee in a manner affecting the impact of the bill so as to require a statement of effect of the change proposed by the committee, the committee shall include such statement with its report, as required by statute. Any floor amendment to a bill which would substantially affect a fiscal, judicial or State debt impact note previously filed shall be deferred until the sponsor of the amendment presents a revised note, upon a motion of any member adopted by a majority of the House. Whenever an amendment is offered on Second Reading

which will significantly affect the cost to public pension systems, a revised pension impact note must be submitted to the Clerk of the House prior to a motion to adopt such floor amendment. However, if such amendment has been filed with the Clerk for seven days, a motion may be entertained to adopt the floor amendment. Any floor amendment which would amend a bill so as to bring it within the description of bills set forth in Section 2 of the "Correctional Budget and Impact Note Act" shall be deferred until the sponsor of the amendment presents a correctional budget and impact note, upon a motion of any member adopted by a majority of the House. This Subsection (f) may be suspended only with unanimous consent.

(g) No bill authorizing or directing the conveyance by the State of any particular interest in real estate to any individual or entity other than a governmental unit or agency may be voted upon in committee or upon Second Reading unless a certified appraisal of the value of the interest has been filed. The appraisal shall be filed with the clerk of the committee to which the bill is assigned, and shall be part of the permanent committee record, unless the bill is advanced without reference to committee, in which event the appraisal shall be filed with the Clerk of the House.

35. BILLS REPORTED OUT.

(a) If a bill has been reported out of a committee "do pass", or "do pass as amended", the bill shall stand on the Daily Calendar on the order of Second Reading for one legislative day before it may be called on that order. The order of Second Reading — First Legislative Day shall not appear on any supplemental calendar.

(b) If a bill has been reported out of committee "do not pass" or "do not pass as amended", it shall

lie on the Speaker's Table for two legislative days. If no written motion to take the bills from the table is filed within those two days, the bills shall be finally tabled and stricken. If a motion is filed within those two legislative days, it may remain on the calendar only until the last legislative day of the legislative week subsequent to the week the motion was filed. If the motion is not adopted by that day, by a vote of 71 members, the bill shall be tabled and finally stricken and may not be revived. On the last day for adopting the motion, the chief sponsor shall have the right to call it. Upon a motion to take a bill from the Speaker's Table filed and adopted under this rule, the bill shall be placed on the calendar on the order of Second Reading — First Legislative Day. This Subsection may be suspended only upon an affirmative vote of 71 members, except the provision against revival of stricken bills may not be suspended.

35.1. CONTROL BY CHIEF SPONSOR.

(a) When a resolution or bill, other than an appropriation bill, is called on any order of business, the chief sponsor may request that consideration of the bill or resolution be deferred. If the chief sponsor requests that consideration be deferred, the Speaker shall order that consideration of the bill or resolution be deferred, and that bill or resolution shall be retained at the same point on the calendar. No resolution or bill, other than an appropriation bill, shall be called for consideration on any order of business in the absence of the chief sponsor unless the chief sponsor files with the Clerk a written statement authorizing one or more of the principal sponsors to call the bill in the chief sponsor's absence.

(b) When an appropriation bill is called on either the order of Second Reading or Third Reading, the chief sponsor may request that consideration of the

bill be deferred. If the chief sponsor requests that consideration be deferred, the Speaker shall order that consideration of the bill be deferred, and that bill shall be retained at the same point on the calendar. No appropriation bill shall be called for consideration on either the order of Second Reading or Third Reading in the absence of the chief sponsor unless the chief sponsor files with the Clerk a written statement authorizing one or more of the principal sponsors to call the bill in the chief sponsor's absence.

(c) This rule may be suspended only by an affirmative vote of 71 members.

36. AMENDMENTS.

(a) Amendments to a bill may be adopted either by standing committees, or by the House when a bill is on the order of Second Reading.

(b) A member desiring to offer an amendment on the order of Second Reading must submit it in writing to the Clerk. The Clerk shall have the amendment printed and place a copy of it on the desk of each member as soon as practicable. Amendments to an amendment shall be in order only with the unanimous consent of the members present, and if considered shall be numbered sequentially and treated as subsidiary amendments otherwise subject to this rule.

(c) No amendment may be adopted unless it has been reproduced and is on the members' desks.

(d) No amendment is in order unless it is confined to the subject of the bill. If an amendment is adopted amending the title of a bill, that bill, on the demand of any member before the bill is advanced, shall be returned to the order of Second Reading — First Legislative Day and shall be read by the amended title on two days before final passage. This Subsection does not apply to amendments which

amend the title of the bill by adding or deleting section numbers from the same Act that is amended by the bill.

(e) A bill expressly amending a law shall set forth completely the Sections amended, and amendments shall conform to this requirement.

(f) If a committee reports out a bill "do pass as amended" or a resolution "do adopt as amended", the committee amendments shall be adopted by the committee action and shall be reproduced and placed on the members' desks before the bill may be read a second time.

(g) An amendment to strike the enacting clause of a bill is not in order at any time.

37. THIRD READING.

(a) After the Second Reading of a House Bill, the Speaker shall order the bill and amendments engrossed and advanced to the order of Third Reading. With leave of the House a bill may be held on the order of Second Reading.

(b) With leave of the House, a chief sponsor of a bill may return the bill from the order of Third Reading or from the order of Consideration Postponed to the order of Second Reading for the purpose of amendment. When a bill is returned to the order of Second Reading, it shall be in order to take up amendments to the bill.

(c) If unanimous consent is denied under paragraph (a) or (b) this rule, leave of the House may be granted by a vote of 60 members.

(d) A bill returned to the order of Second Reading, to which amendments have been adopted, shall not again be taken up on the order of Third Reading that same legislative day and shall be readvanced to the order of business on the calendar from which it was returned to Second Reading. This

paragraph may be suspended only upon an affirmative vote of 71 members.

(e) A copy of engrossed House Bills on the order of Third Reading and Consideration Postponed shall be made available from the Clerk, at the request of the Majority Leader or Minority Leader.

(f) No House or Senate Bill may be read a third time until its synopsis has been published at least once in the Legislative Synopsis and Digest.

(g) Notwithstanding the provisions of Rule 39 the final dates on which bills may be called for vote on Third Reading shall be as follows:

In the odd-numbered year:

House Bills and House

Senate BillsFourth Friday in June

Bills not passed in accordance with these deadlines shall be automatically tabled, except bills on the Interim Study Calendar of a standing committee. The deadlines of this Subsection (g) do not apply to the consideration of bills introduced in a special session.

(h) The chief sponsor of any bill on any calendar shall have the right, prior to the commencement of the debate on Third Reading, to recommit his bill to the Interim Study Calendar of the standing committee in which it was heard.

(i) A bill on the order of Third Reading shall be returned to the order of Second Reading at the request of the chief sponsor for the purpose of offering an amendment proposed by the Legislative Reference Bureau to correct technical errors in the bill or to resolve formal or technical problems arising from amendments already adopted. The Legislative Reference Bureau shall affix to the original of such amendments a stamp indicating that the amendment is proposed by the Bureau to correct or resolve such errors or problems. A bill so returned shall not be subject to other amendments while then on the order of Second Reading and may be returned to the order of Third Reading and may be considered for passage on the same legislative day.

38. FINAL PASSAGE.

(a) The vote on the final passage of all bills standing on the order of Third Reading shall be by yeas and nays entered upon the Journal. When a bill receives the constitutional majority required for passage, the Speaker shall declare the bill passed. When a bill fails to receive the required constitutional majority upon passage, the Speaker shall declare the bill has lost. A bill which has lost and has not been reconsidered may not thereafter be revived.

(b) On final passage, after the question has been put and the roll call is started, a bill may not be taken from the record.

(c) After a bill has been finally passed, no member may add his name as a sponsor.

(d) Concurrence in Senate amendments to House Bills and adoption of conference committee reports are votes on final passage.

(e) This rule may be suspended only upon the affirmative vote of 71 members.

39. CALLING OF BILLS.

(a) When bills or resolutions are placed on the calendar on the order of Second Reading (including

Second Reading — First Legislative Day), they shall appear in numerical order. The point at which an order of business is left shall be the point at which business is resumed when the House returns to that order of business.

The Speaker at his discretion shall, upon commencing a given order of business:

(1) call all bills and resolutions for consideration in the order in which they appear on the calendar; or (2) call bills or resolutions pertaining to similar subject matter for consideration at the same time or in consecutive order, so that the House may consider and resolve the subject matter at one time; or (3) call bills or resolutions in the chronological daily order in which they were reported, discharged or advanced to the calendar (and in numerical order within a single chronological daily category); or (4) on the order of Second Reading, call those bills first to which amendments and motions to table committee amendments have not been filed with the Clerk; or (5) call bills with Short Debate Status on the order of Second or Third Reading or resolutions with Short Debate Status for consideration in a separate consecutive sequence as they appear on the calendar and call those without Short Debate Status for consideration in another separate consecutive sequence as they appear on the calendar; or (6) call Appropriation Bills first.

(b) The Clerk shall indicate on the calendar the date on which a bill or resolution was reported, discharged or advanced to the calendar in parentheses after the number of the bill or resolution.

(c) This rule may be suspended only by an affirmative vote of 71 members.

40. POSTPONED CONSIDERATION.

When a bill is voted on final passage and receives at least 47 affirmative votes, the chief sponsor may,

before the result is announced, place the bill on the order of Postponed Consideration. A bill may be placed on the order of Postponed Consideration only once and may be called for passage only once thereafter.

41. EFFECTIVE DATE.

(a) A bill passed after June 30th of a calendar year shall not become effective prior to July 1st of the next calendar year unless an earlier effective date is specified in the bill and it is approved by 71 of the members.

(b) If 60 members, but fewer than 71, vote affirmatively for a bill on Third Reading after June 30, where the bill specifies an effective date earlier than the following July 1, the bill shall not be declared passed, and the chief sponsor shall have the right to have the bill automatically reconsidered and returned to the order of Second Reading for an amendment to remove the earlier effective date. The amendment, if offered, shall be printed and placed on the desks of the members before the bill is taken up again on the order of Third Reading.

42. HOME RULE.

No bill denies or limits any power or function of a home rule unit, pursuant to paragraphs (g), (h), (i), (j) or (k) of Section 6 of Article VII of the Illinois Constitution, unless there is specific language limiting or denying the power or function and the language specifically sets forth in what manner and to what extent it is a limitation on or denial of the power or function of a home rule unit. If 60 members, but fewer than 71, vote affirmatively for a bill which requires a vote of 71 members to deny or limit a power of a home rule unit, the bill shall not be declared passed, and the chief sponsor shall have the

right to have the bill automatically reconsidered and returned to the order of Second Reading for an amendment to remove such effects of the bill (or to exempt home rule units from the bill). The amendment, if offered, shall be printed and placed on the desks of the members before the bill is taken up again on the order of Third Reading.

(b) Upon agreement between the Speaker and Minority Leader, all resolutions concerning death, congratulations and non-controversial matters may be considered by the Whole House without suspension of the Rules and adopted as a group by a single motion to adopt on a given legislative day.

(c) The following types of resolutions shall not be subject to the agreed resolution procedures and shall be adopted only on a record roll call vote by 60 members: those creating special committees or special joint committees; those calling for an expenditure of funds; those directing investigations; and those directing audits by the Auditor General.

46.1. AMENDATORY VETOES.

(a) The chief sponsor of a bill which has been passed by the General Assembly may request the Clerk to notify the Governor that the chief sponsor wishes to be consulted by the Governor or his designee prior to returning the bill, if the Governor intends to return the bill together with specific recommendations for change pursuant to subsection (e) of Section 9 of Article IV of the Illinois Constitution.

(d) Any bill returned by the Governor together with specific recommendations for change shall be reviewed by the Rules Committee. The Rules Committee shall examine the Governor's specific recommendations for change and determine by a majority of all its members whether such recommendations comply with the standard set forth in paragraph (c). (e) No notice by posting is required for any meeting of the Rules Committee convened solely to determine whether the Governor's specific recommendations for change comply with the standard set forth in paragraph (c), but the meeting shall be announced on the floor of the House and written notice provided to the Clerk.

(f) This rule may not be suspended.

47. HOUSE ACTION ON VETOES.

(a) A member desiring to take action with respect to a veto shall file a written motion with the Clerk in accord with the provisions of the Joint Rules. The Clerk shall place the motions on the calendar under the appropriate heading as provided in the Joint Rules.

of the Governor's message and the vetoed bill or item, and until the veto motion is on the calendar.

48. VETOED BILLS ON CALENDAR.

Vetoed bills shall appear on the calendar by bill number under the general heading, "Vetoed". That heading shall be divided into 6 categories, "Total Vetoed", "Item Vetoed", "Reduction Vetoed", "Reduction and Item Vetoed", "Amendatory Vetoed — Gubernatorial Compliance", and "Amendatory Vetoed — Gubernatorial Noncompliance". Those bills which have been vetoed in their entirety by the Governor shall appear under the category "Total Vetoed". Those bills which the Governor has returned together with specific recommendations for change which the Rules Committee finds not in compliance with Rule 46.1, paragraph (b), shall be listed under "Amendatory Vetoed — Gubernatorial Noncompliance". Each entry under these categories shall include the name of the principal sponsor in the house of origin, the date on which the house entered the objections of the Governor on its Journal, and, where appropriate,

a listing of the items vetoed or reduced by page and line number.

49. VETO MOTIONS.

In order to override a total or item veto, to restore a reduced item, or to accept or override specific recommendations for change made by the Governor, a member must file a written motion with the Clerk.

50. FORM OF VETO MOTIONS.

(a) The vote to override a "Total Veto" shall be by roll call and shall be entered upon the Journal. The form of the motion with respect to such bills shall be: "I move that (here insert House or Senate) Bill (here insert bill number) pass notwithstanding the veto of the Governor."

(b) The vote to override an item veto shall be by roll call vote upon each item separately and shall be entered upon the Journal. The form of the motion with respect to such item shall be: "I move that the item on page _____, line _____, of _____ Bill _____ pass notwithstanding the veto of the Governor."

(c) The vote to restore an item or items which have been reduced shall be by roll call vote upon each item separately and shall be entered upon the Journal. (d) A bill returned by the Governor together with specific recommendations for change may be acted upon by roll call vote entered upon the Journal:

(1) By a motion to accept the Governor's specific recommendations for change. The form of the motion in this event shall be: "I move to accept the

Governor's specific recommendations for change with respect to _____ Bill _____ in the manner and form as follows: (inserting therein the language deemed necessary to accept the specific recommendations)", or

(2) By considering the bill as a vetoed bill and overriding the Governor's specific recommendations. The form of the motion in this event shall be: "I move that _____ Bill _____ pass notwithstanding the Governor's specific recommendations for change."

51. VETO ACTIONS.

When the appropriate motion pertaining to a bill vetoed in its entirety or an item vetoed in full receives the affirmative vote of at least three-fifths of the members elected to the House, the Speaker shall declare that the bill or the item has passed, notwithstanding the veto of the Governor. When the appropriate motion pertaining to a bill with an item reduced in part or a bill returned with specific recommendations for change receives the affirmative vote of at least a majority of the members elected to the House, the Speaker shall declare that the item has been restored or that the Governor's specific recommendations for change have been accepted. When the appropriate motion pertaining to a bill returned by the Governor with specific recommendations for change receives the affirmative vote of at least three-fifths of the members elected to the House, the Speaker shall declare that the bill has passed notwithstanding the amendatory veto of the Governor. In each case, the bill shall then be so certified by the Clerk, who shall note thereon the day the bill passed. The bill and the objections of the Governor thereto shall then be immediately delivered to the Senate.

When specific recommendations for change have been accepted they shall be attached to the bill which shall then be delivered to the Senate.

52. RECEIPT OF EXECUTIVE REORGANIZATION ORDERS.

(a) Whenever the House receives from the Governor an executive order providing for the reassignment or reorganization of functions among executive agencies responsible to him, pursuant to Article V, Section 11 of the Constitution, the order shall be entered on the Journal immediately.

(b) If the day of receipt of such order by the House is not the same as the official day of delivery, as defined by Article V, Section 11 of the Constitution, the Speaker shall determine such date and his date determination of the date of delivery shall be entered on the Journal.

(c) The Speaker shall immediately refer such executive order to a committee for consideration.

53. COMMITTEE ACTION ON EXECUTIVE REORGANIZATION ORDERS.

(a) The committee to which an executive order is referred shall hold hearings and shall consider it in the same manner and subject to the same procedures as a bill, including the notice requirements of Rule 20, except that the executive order shall not have a legislative sponsor.

(b) If such executive order is officially delivered to the House prior to April 1 of a regular session, the committee shall hear it and consider it in preference to any other matters before the committee.

(c) The committee may consider and sponsor bills to implement such order or to provide an alternative reorganization or reassignment of functions or agency structure among executive branch agencies

in connection with consideration of an executive reorganization order, and may report such bills to the House notwithstanding any deadlines otherwise applicable to committee bills under these rules.

(d) The committee shall report the executive order together with its recommendation of whether the House should disapprove it no later than the 49th day after its official delivery to the House. If the committee recommends disapproval, it shall introduce a resolution for that purpose, and shall file a written report of its reasons and conclusions. If the committee does not recommend disapproval, it may submit such report as may be appropriate. Any member of the committee may submit a written concurring or minority report to the House.

54. HOUSE ACTION ON EXECUTIVE REORGANIZATION ORDERS.

(a) The House may disapprove of an executive order issued under Article V, Section 11 of the Constitution only by resolution adopted by an affirmative record vote of 60 members.

(b) No such resolution shall be in order until the committee to which such executive order is referred has reported to the House, or has been discharged from further consideration of such order, but shall be on the Speaker's table until such time.

(c) The committee to which such an executive order is referred may be discharged from further consideration upon a written motion which shall be on the calendar one day prior to being called. The motion to discharge shall require 71 affirmative votes for adoption prior to the 40th day after the official day of delivery of the order. Subsequently, the motion shall require an affirmative vote of 60 members.

(d) The reports and resolution of the committee to which such order has been referred, if any, shall

be reproduced and distributed on the members' desks for one day before any resolutions may be called concerning the executive order.

VIII VOTING

55. VOTING, GENERALLY.

(a) The Speaker shall put all questions distinctly, as follows: "All those in favor vote 'AYE' and those opposed vote 'NAY'."

(b) If the vote is viva voce and the Speaker doubts the result, the Speaker shall order a record vote taken.

(c) Upon the motion of any member, joined by four other members, a record vote shall be taken on any question. A "record vote" is a roll call vote by yeas and nays entered on the Journal. Such a motion must be made before proceeding to other business.

(d) On any question the Speaker may order a record vote or a verified oral roll call vote to be taken. Prior to the commencement of the vote on any question, any 10 members may demand a verified roll call vote in lieu of the electrical roll call vote. Upon such demand the Speaker shall order a verified oral roll call.

(e) The Clerk shall complete the tabulation of all record votes including any changes in the electrical roll call as directed by the Speaker prior to advising the Speaker of the result. The Speaker shall thereafter declare the result.

56. ELECTRICAL ROLL CALL.

(a) All record votes of the House shall be taken on the electrical roll call system unless it is not working.

(b) When the House is ready to vote upon any question by a record vote, the Clerk shall start the vote-recording equipment. When the vote is completed, the Clerk shall advise the Speaker of the result and he shall declare the vote and the result to the House. The Clerk shall enter the roll call vote

57. ORAL ROLL CALL, VERIFIED ORAL ROLL CALL.

(a) An oral roll call shall be taken in lieu of an electrical roll call only if the electrical roll call system is not working. The Clerk shall call the names of the members alphabetically, and the members shall, when called or recognized, vote by orally declaring their vote.

(b) When the Speaker orders a verified oral roll call, each member shall be seated and shall remain at his own desk, during the vote. The Clerk shall call the roll of members alphabetically. During the roll call, a member may vote only when his name is called. Members shall vote by rising at their desks and calling out their vote and the Clerk shall simultaneously record the member's vote on the electrical voting machine. When the call of the roll is complete, the Speaker shall call for any further votes, and members may be recognized to vote or to change their vote until the result is declared, whereupon the vote shall be final. Any member may challenge the vote of any other member at the time his vote is cast. However, the member demanding the verification shall be recognized during the entire conduct of the oral roll call and his microphone shall remain open to permit interruption of the roll to verify members voting.

58. VERIFICATION.

(a) Any member may demand a verification of an electrical roll call vote, except for a vote which

requires a specific number of affirmative votes and which has not received the required vote. Whenever a verification is properly demanded, the Speaker shall either order the verification under this rule or shall order a verified oral roll call on the question.

(b) If the question on which the roll call is being verified requires a specific number of affirmative votes, the Clerk shall call the names of those members voting in the affirmative, and any member may have his vote corrected. If the question on which the roll call is being verified requires a majority based upon the number voting (rather than a specific number of affirmative votes), the prevailing vote shall be verified by the same procedure, and the votes on the losing side shall not be verified unless the verification of the prevailing votes on the question has disclosed that further verification is necessary to determine the result.

(c) Following the calling of the roll on either side of a question being verified, the member demanding the verification may challenge the presence of a member recorded, but once a member has responded to a challenge to his vote, he may not be further challenged during that verification.

(d) Notwithstanding a motion to reconsider, a member supported by five other members is entitled to a verification of a roll call vote on the question last considered by the House until either the next matter is called or the House has proceeded to the next order of business, whichever occurs first. Except for a verification, a bill or resolution shall be finally disposed of if a motion to table prevails.

59. POLLING OF ABSENTEES.

Any member may demand the polling of the absentees on a roll call vote prior to the announcement of the result, except on a verified oral roll call

vote. The Clerk shall then read the names of those members who have not voted on the roll call and any member may have his vote corrected. A demand for a polling of the absentees shall take precedence over a demand for a verification if made prior to the commencement of the verification. Notwithstanding the announcement of a result of a roll call vote, a demand for a polling of the absentees may be made if a demand for a verification has been made.

60. ROLL CALL VOTES FINAL.

(a) After an electrical roll call vote is completely recorded, and the record is taken, no member may change his vote, or add his vote aye, nay or present if previously not recorded, or remove his vote as recorded.

(b) On a verified roll call, or a verified oral roll call, the vote shall be final when the result is declared, and no member may change, add or remove his vote subsequently.

(c) This rule shall not be suspendable.

61. VOTING FOR ANOTHER.

(a) No person shall vote on behalf of a member except the member himself.

(b) In addition to penalties as provided by law, any member who votes or attempts to vote for another member may be punished as the House may determine.

(c) In addition to penalties provided by law, any person not a member who votes or attempts to vote for a member may be barred from the floor of the House for the remainder of the session and punished as the House may further determine.

62. VOTE OF PRESENT.

A member who answers "present" on a roll call vote shall be so recorded, but a vote of "present"

shall not be counted in determining the result of the roll call vote.

65. DECORUM IN DEBATE.

All persons shall observe the following rules of courtesy during debate:

(a) While a member is speaking, no person shall pass between the member speaking and the Chair or otherwise disturb the members of the House.

(b) Whenever a member is about to speak on any matter, that member shall rise and respectfully address the Chair.

(c) When recognized by the Chair, the member may then speak to the question under debate, avoiding personalities, names and discourteous language.

(d) No motion is in order unless the member so moving makes it from the member's own seat.

(e) When two or more members rise at once, the Speaker shall name the member who is to speak first.

(f) No member shall speak longer than 5 minutes at one time nor more than once on the same question except by leave of the House. However, the chief sponsor of a measure shall always be allowed 10 minutes to open the debate and 5 minutes to close the debate. The provisions of this paragraph (f) are subject to Rule 10.

(g) If a question remains pending when the House adjourns on a day and is revived on the succeeding day, no member who has spoken on the preceding day may speak again on the question without leave.

(h) A member may yield to another the time allotted for the member's debate, but no member may yield to another time allotted for explanation of vote.

(i) The presentation of the motions to advance a bill without reference, to suspend Rule 43 or 44 for immediate consideration of a resolution, or to discharge a committee from further consideration of a bill or resolution may go into the substance of the bill or resolution sufficiently to inform the House of the nature of the matter sought to be brought before it.

(j) Recognition of guests by any member is prohibited except that the Speaker may recognize an honored guest in conjunction with a special occasion.

66. DISTRIBUTION OF LITERATURE.

No literature may be distributed on the House floor.

67. DECORUM IN VOTING.

(b) Except as provided herein, every member has the right to take one minute to explain his vote at any time up to the announcement of the vote on a question, notwithstanding the ordering of the previous question. Other than the chief sponsor of the matter under consideration, no member who has spoken in debate on a question shall have the right to explain his vote on that question. A member may not yield his time for explanation of a vote to another member.

(c) No person shall disturb the Speaker or members of the House while the Speaker is putting a question or addressing the House.

68. ABSENCES.

No member may be absent from a session of the House unless he has leave, is sick or his absence is unavoidable. The switch to the electrical roll call recording equipment located on the desk of any member who has been excused or is absent shall be locked by the Clerk and shall not be unlocked until the member returns and files with the Clerk a request to be shown as present on the quorum roll call.

69. CALLING MEMBERS TO ORDER.

The Speaker shall, and any member may, call a member to order for transgressing the rules.

X

PRACTICE

70. QUORUM.

(a) 60 members constitute a quorum.

of a quorum, then the following is the order of business:

- (1) a motion to produce a quorum by compelling the attendance of absent members.
- (2) a motion to fix the time to which to adjourn or recess.
- (3) a motion to adjourn or recess.
- (4) a motion to call the House.

71. MOTIONS, GENERALLY.

The following are general rules for all motions:

- (a) Any motion shall be reduced to writing if the Speaker or any member desires it.
- (b) Before the House debates a motion, the Speaker shall state an oral motion and the Clerk shall read aloud a written motion.
- (c) Once a motion has been stated by the Speaker or read aloud by the Clerk, it may be withdrawn only by leave of the House.

- (f) Subject to the provisions of Rule 74, all motions shall be disposed of in the order in which they are moved.
- (g) Motions on the floor shall not require a second, but all motions in committee shall require a second.

72. PRECEDENCE OF MOTIONS.

- (a) While a question is under debate, no motion may be entertained except:

to fix the time to which to adjourn or recess;
to adjourn or recess;
to call the House;
to lay on the table;
the previous question;
to commit;
to postpone to a day certain;
to postpone to a day indefinite;
to strike the enacting clause; and
to amend.

(b) The following motions shall have precedence in the order in which they are named:

(1) a motion to postpone to a day certain, to commit or to postpone indefinitely, once it is decided, shall not be in order again on the same day or at the same stage of the bill or proposition.

(2) a motion to strike the enacting clause of a bill has precedence of a motion to amend and, if carried, is equivalent to rejection of the bill.

73. MOTION TO RECONSIDER.

(a) A member who voted on the prevailing side of a record vote on a matter still within the control of the House may on the same day move to reconsider the vote or may give written notice that he will move to reconsider not later than the next legislative day. The motion to reconsider may be laid on the table without affecting the vote to which it referred. When the motion to reconsider or the notice of the motion is made within three days of June 30th of a regular session, any member may move that the vote on reconsideration be taken immediately. A question that requires 60 votes or more to carry requires 60 votes to reconsider.

(b) A motion to reconsider a record vote on the adoption of an amendment may be made at any time on Second Reading, but the vote on reconsideration

shall require a record roll call vote. An amendment adopted by the House on a record vote may not be tabled by motion until its adoption has been reconsidered.

(c) If a motion to reconsider is made pursuant to this rule and the motion is later tabled, the question shall not be further reconsidered. This Subsection can be suspended only upon an affirmative vote of 71 members.

74. MOTION TO TAKE FROM TABLE.

76. MOTION FOR THE PREVIOUS QUESTION.

(a) When the previous question has been moved, the question is "Shall the main question now be put?" and until it is decided, no amendments or debate are in order. If it is decided that the main question shall not be put, the main question remains under debate.

(b) Subject to the provisions of Subsection (c), the following situation obtains when the previous question is ordered: no further debate is in order and the House shall vote immediately first upon all amendments reported or pending in the inverse order in which they are offered, and then upon the main question itself, as amended. It is also not in order to call the House unless the record vote on the main question indicates the absence of a quorum. It is further not in order to move to adjourn prior to a decision on the main question.

(c) If a motion to postpone is pending when the previous question is moved, the only action in order is an immediate vote on the previous question.

(d) Upon the motion of a member, supported by four other members, a record vote on the motion for the previous question shall be taken.

(e) The motion for the previous question requires approval of two-thirds of the members voting on the question.

(b) The motion must be in writing and shall be carried on the Daily Calendar for the next legislative day under the order of "motions". No action shall be taken on the motion until it is on the calendar. This Subsection (b) may be suspended only by motion adopted by 71 votes.

(c) If the motion receives an affirmative vote of 60 members the bill shall be placed on the order of Second Reading — First Legislative Day.

78. MOTION TO ADJOURN.

(a) A motion to adjourn is neither debatable nor amendable.

(b) The Clerk shall enter in the Journal the hour at which every motion to adjourn is made.

(c) Unless the Speaker orders otherwise, the standing hour to which the House adjourns is 9:30 a.m.

(c) Senate amendments adopted to House Bills which have passed the Senate shall be placed on the calendar on the order of "Concurrence". House amendments adopted to Senate Bills which have passed the House, which the Senate has returned to the House after refusing concurrence therewith, shall be placed on the calendar on the order of "Non-Concurrence".

(d) Before being taken up or voted upon, Conference Committee reports and Senate amendments on the order of concurrence shall be reproduced, distributed on the members' desks and listed on the Daily or a Supplemental Calendar in advance according to the following schedule:

(e) After the adjournment of the spring session of any year, the House may not take up or vote upon Conference Committee reports or Senate amendments to House Bills or House amendments to Senate Bills with respect to bills which have as of that date passed both houses but which have not received final action by both houses. Such bills shall not again be taken up by the House, and all such House Bills shall be tabled.

Any two members may dissent respectfully from any action of the House they consider injurious to

any individual or the public and may have their dissent entered upon the Journal at their request.

81. APPEALS.

Any six members may move an appeal from any ruling of the Chair. If the appeal receives the affirmative vote of 60 members, it is sustained. The question is, "Shall the Chair be overruled?"

82. PARLIAMENTARY AUTHORITY.

The rules of parliamentary practice comprised in the latest edition of Robert's Rules of Order — Newly Revised, shall govern the House in all cases in which they are applicable and in which they are not inconsistent with the standing rules and orders of the House, or the joint rules of the Senate and House of Representatives.

83. AMENDMENTS OR SUSPENSION OF RULES.

(a) A motion to suspend a House Rule or Joint Rule shall identify the particular rule or rules affected.

(c) Rules may be proposed or amended only by resolution. Any such resolution shall show the changes in the existing rules by underscoring all new matter and by crossing out with a line all matter which is to be omitted or superseded.

(d) Any resolution proposing to amend a House Rule or a Joint Rule which is offered by a member on the floor shall be referred to the Committee on

The Committee on Rules, when considering resolutions under this Subsection (d), shall be subject to the notice requirements of Rule 20.

(e) Resolutions for amendment of the House Rules or the Joint Rules may be initiated by the Committee on Rules.

(f) A resolution to amend the House Rules which is adopted by a 3/5 vote of the members of the Committee on Rules may be adopted by an affirmative vote of 60 members.

(g) A resolution to amend the House Rules or the Joint Rules which is adopted by the Committee on Rules by a majority of the members but not by a 3/5 majority of the members of the committee shall appear on the calendar for one legislative day prior to being taken up by the House, and may be adopted by an affirmative vote of 60 members.

(h) This rule may be suspended only upon an affirmative vote of 71 members.

84. CONSIDERATION OF BILLS AFTER DEADLINES.

In the even-numbered years, and after the applicable deadlines under Rules 27 (d), 29 (b) and 37 (g) in odd-numbered years, the following procedures shall apply:

(a) A bill pending in committee may not be reported unless exempt under the provisions of Rule 29 (c).

(b) Bills introduced which are exempt under the provisions of Rule 29 (c) shall be referred to the Committee on the Assignment of Bills for assignment to committee and may thereafter be acted upon.

(c) Other bills introduced shall be referred to the Rules Committee, and may not be acted upon unless exempted pursuant to Rule 29 (c) (3).

85. CONFLICTS OF INTEREST — SPECIAL COMMITTEE.

There is created a Special Committee on Conflicts of Interest which shall consist of 4 members appointed by the Speaker and 4 members appointed by the Minority Leader. The Speaker shall designate one of the members to serve as chairman.

The Committee shall study the problem of conflicts of interest in relation to the responsibilities of legislators and the laws relating thereto including the Illinois Governmental Ethics Act. The Committee shall develop guidelines for the conduct of members of the House in regard to conflicts of interest including procedures for appropriate disclosure of the existence of conflicts. The Committee shall also recommend such changes in the law as it determines to be desirable to assure members appropriate guidance in their conduct.

The report of the Committee shall be filed with the Clerk who shall provide a copy of the report to each member of the House.

XI

ELECTION CONTESTS AND QUALIFICATIONS CHALLENGES

86. ELECTION CONTESTS AND QUALIFICATIONS CHALLENGES.

(a) An election contest shall place in issue only the validity of the results of an election of a member to the House of Representatives in a representative

district. An election contest may result only in a determination of which candidate in such an election was properly elected to the House and shall be seated.

(b) A qualifications challenge shall place in issue only the qualifications of an incumbent member of the House under the Constitution, or the legality of an appointment of a person as a member of the House to fill a vacancy. A qualifications challenge may result only in a determination of whether a member of the House is properly seated.

(c) Election contests and qualifications challenges shall be brought and conducted as provided in these rules.

(d) Each election contest and qualifications challenge filed with the Clerk shall be referred by the Speaker to the Committee on Elections.

(e) The committee may adopt rules to govern election contests and qualifications challenges, provided that such committee rules must be consistent with these rules, must be filed with the Clerk, and must be made available to all parties and to the public. Any committee rule shall be subject to amendment, suspension or repeal by House resolution.

87. INITIATING ELECTION CONTESTS.

(a) Election contests may be brought only by a registered voter of the representative district or by a member of the House.

(b) Election contests may be brought only by the procedures and within the time limits established by The Election Code. Notice of intention to contest shall be served on the person certified as elected to the House of Representatives from the representative district within the time limits established by The Election Code. The requirements of this Subsection

shall be applicable to a member of the House appointed to fill a vacancy the same as if that member had been elected to the House.

(c) Within 10 days of the convening of the House of Representatives in January following the general election contested, each contestant shall file with the Clerk a petition of election contest and shall serve such petition on the incumbent member of the House from the representative district. A petition of election contest shall allege the contestant's qualifications to bring the contest and to serve as a member of the House of Representatives, that he believes that a mistake or fraud had been committed in specified precincts in the counting, return or canvass of the votes or that there was some other specified irregularity in the conduct of the election in specified precincts. A petition of election contest shall contain a prayer specifying the relief requested and the precincts in which a recount or other inquiry is desired. A petition of election contest shall be verified by affidavit swearing to the truth of the allegations or based upon information and belief, and shall be accompanied by proof of service on all respondents.

(d) A notice of intent to contest may not be amended to cure a defect under the statutory requirements. A petition of election contest, if filed and served subsequent to the notice of intention to contest, may not raise points not expressed in the notice.

(e) The incumbent member of the House from the representative district shall be a necessary party to the initiation of an election contest.

88. INITIATING QUALIFICATIONS CHALLENGES.

(a) Qualifications challenges may be brought only by a registered voter of the representative district of the representative challenged or by a member of the House.

(b) Qualifications challenges must be brought within 90 days of the day the challenged member takes his oath of office as a member of the House of Representatives, or within 90 days of the day the petitioner first learns of the information on which the challenge is based, whichever occurs later.

(c) A qualifications challenge shall be brought by filing a petition of qualifications challenge with the Clerk, and by serving a copy of the petition on the respondent member of the House. The petition must be accompanied by proof of personal service upon the respondent member and must be verified by affidavit swearing to the truth of the allegations or based upon information and belief. A petition of qualifications challenge shall set forth the grounds on which the respondent member is alleged to be constitutionally unqualified, or on which his appointment to the House is claimed to be legally improper, the qualifications of the petitioner to bring the challenge, and a prayer for relief.

89. CONTESTS AND CHALLENGES — DUE PROCESS.

(a) Election contests and challenges shall be heard and determined as expeditiously as possible under adversary procedures wherein each party to the proceedings has a reasonable opportunity to present his claim, any defense and arguments, and to respond to those of his opponents. All parties may be represented by counsel.

(b) Election contests and qualifications challenges shall be heard and determined in accordance with the applicable provisions of The Election Code and other Illinois statutes, the Illinois Constitution of 1970 and the United States Constitution. Judicial decisions which bear on a point of law in a contest or challenge shall be admissible in the arguments of the parties and the deliberations and decisions of the

committee. Judicial decisions applicable to a point of law or to a fact situation to the committee shall be given weight as precedent.

(c) In addition to notice of meetings required under these rules, the committee and any subcommittee shall give notice to all parties reasonably in advance of each meeting or other proceeding. The committee shall also give notice of all rules, timetables or deadlines adopted by the committee. Notice under this Subsection shall be in writing and shall be given either personally with receipt, or by certified mail (return receipt requested) addressed to the party at his place of residence and to his attorney of record at his office if so requested by the party.

90. COMMITTEE PROCEEDINGS AND POWERS IN CONTESTS AND CHALLENGES.

(a) All proceedings of the committee and any subcommittees concerning election contests and qualifications challenges shall be transcribed by a certified court reporter. Copies of the transcript shall be made available to the members of the committee and to the parties.

(b) The committee may dismiss an election contest or qualifications challenge, or may determine to proceed to a recount or other inquiry. The committee may limit the issues to be determined in a contest or challenge, except that where a recount is conducted in an election contest, any precinct timely requested by any party to be recounted shall be recounted by the committee.

(c) In conducting inquiries, investigations and recounts in election contests and qualifications challenges, the committee shall have the power to send for and compel the attendance of witnesses and the production of books, papers, ballots, documents and records, by subpoena signed by the chairman of the

committee as provided by law. In conducting proceedings in election contests and qualifications challenges, the chairman of the committee and the chairman of any subcommittee may administer oaths to witnesses, as provided by law, and for this purpose a subcommittee shall be deemed to be a committee of the House.

(d) The committee may issue commissions by its chairman to any officer authorized to take depositions of any necessary witnesses as may be permitted by law. In recounting the ballots in any election contest, however, no person other than a member of the committee shall handle any ballots, tally sheets, or other election materials without the consent of the committee or subcommittee. The responsibility for the actual recounting of ballots may not be delegated.

(e) The committee shall maintain an accurate and complete record of proceedings in every election contest and qualifications challenge. Such record shall include all notices and pleadings, the transcripts, and roll call votes, all reports and dissents, and all documents which were admitted into the proceeding. The committee shall file the record with the Clerk of the House upon the adoption of its final report. The record shall then be available for examination in the Clerk's office.

(f) With the approval of the Speaker, the committee may employ clerks, stenographers, court reporters, professional staff and messengers.

91. ADOPTION OF REPORTS IN CONTESTS AND CHALLENGES.

(a) All final decisions of the committee regarding an election contest or qualification challenge shall be reported in writing to the House, and approved by a majority of the members of the committee. Reports

shall include a specific recommendation to the House as to the disposition of the contest or challenge. Final reports following full inquiry on the merits of a contest or challenge shall contain findings of fact and, where necessary, conclusions of law.

(b) Any member of the committee may file a dissent from a report of the committee, a minority report, or a special concurrence with the majority report or with any minority report.

(c) A subcommittee shall report to the committee in writing in the same form as required for the committee report. Subcommittee members may file dissents, reports or special concurrences.

(d) Reports shall not be adopted by the committee or a subcommittee until a hearing has been held thereon, with notice to all parties and a reasonable opportunity to examine and respond to a proposed majority report.

(e) Reports of the committee shall be filed with the Clerk, printed and placed on the members' desks, along with any dissents, minority reports or special concurrences. The report shall be listed on the calendar under the heading "Report of Election Contest" or "Report of Qualifications Challenge". The report shall be carried on the Daily Calendar for two legislative days prior to any action by the House.

(f) The House shall adopt the majority report or a minority report in an election contest or qualifications challenge or shall refuse to adopt any report filed and re-refer the contest or challenge to the committee for further proceedings or for a modified report. A report which has the effect of unseating an incumbent member of the House of Representatives shall be adopted only upon an affirmative vote of 60 members.

(g) Each party to a contest or challenge shall file with the Clerk of the committee within 10 days of the filing of the final report a detailed statement of

attorney's fees and expenses incurred by said party in connection with the case. The committee shall make recommendations to the House concerning reimbursement of attorney's fees and the expenses of the parties. Such recommendation shall not exceed a sum that is reasonable, just and proper.

XII

DISCIPLINARY PROCEEDINGS

92. INITIATING DISCIPLINARY PROCEEDINGS.

(a) Disciplinary proceedings may be commenced by the filing of a petition for a special investigating committee with the Speaker. Such a petition must be signed by at least one member of the House, and shall contain suggested charges which, if true, may subject the member named in the petition to disciplinary action by the House of Representatives. If such a petition is signed by three or more members of the House, the Speaker shall appoint 3 members of the majority party and the Minority Leader shall appoint 3 members of the minority party to a special investigating committee. If such a petition is signed by less than three members of the House, the Speaker shall consult the member named in the petition, and unless such member objects in writing, the Speaker and the Minority Leader shall appoint a special investigating committee. If the member named in the petition objects to the appointment of a special investigating committee, any member who signed a petition for an investigation under this rule may introduce a resolution to initiate disciplinary proceedings. Unless a resolution initiating disciplinary proceedings is introduced pursuant to this rule, the contents of a petition for a special investigating committee shall be confidential except as to the

member named, the members signing it, the Speaker, and the members of a special investigating committee.

(b) A resolution to initiate disciplinary proceedings shall be substantially in the following form:

“be it resolved by the house of representatives of the _____ general assembly of the state of illinois, that a Special Investigating Committee be appointed to investigate allegations concerning the _____ conduct _____ of _____ Representative _____ which, if true, may subject that member to disciplinary action by the House of Representatives.”

A resolution to initiate disciplinary proceedings may be introduced only as permitted under this rule. It shall be improper to attempt to initiate disciplinary proceedings in any manner not authorized by this rule.

(c) A resolution to initiate disciplinary proceedings shall not be assigned to committee, notwithstanding the provisions of Rule 43. Such resolution shall lie on the Speaker's Table and shall be called within five legislative days.

(d) A resolution to initiate disciplinary proceedings shall be debatable.

(e) A resolution initiating disciplinary proceedings may be adopted only by an affirmative vote of 60 members.

(f) This rule may be suspended only by unanimous consent.

93. PRELIMINARY INVESTIGATION.

(a) Pursuant to a petition or upon the adoption of a resolution initiating disciplinary proceedings, as provided in Rule 92, a special investigating committee consisting of six members shall be appointed, of whom three shall be appointed by the Speaker from

the majority party and three shall be appointed by the Minority Leader from the minority party. The Speaker shall appoint the chairman of the special investigating committee from among the six members thereof. Sponsors of the initiating resolution may not be appointed to the special investigating committee.

(b) The special investigating committee shall conduct a thorough investigation of all allegations and charges of impropriety concerning the member named in the initiating resolution which are brought to its attention to determine if reasonable grounds exist to bring charges against such member for formal disciplinary proceedings by the House of Representatives. The special investigating committee shall meet with the chief sponsor of the initiating resolution at its initial meeting.

At the initial meeting, the chief sponsor of the initiating resolution shall submit to the special investigating committee a written list of suggested charges. Such list shall define the scope of the inquiry or investigation pursuant to the initiating resolution. If the chief sponsor of the initiating resolution fails to submit such a list, the special committee shall report a resolution of exoneration.

The chief sponsor of the initiating resolution shall also submit to the special investigating committee all information he may have relevant to the charges and allegations.

(c) The special investigating committee shall conduct all of its proceedings in executive session, and shall maintain strict confidence as to all of its proceedings, and all witnesses, testimony, information and exhibits that may come before it. No transcript or record of proceedings shall be taken. This Subsection shall be adopted and effective upon an affirmative vote of 79 members. This Subsection may not be suspended.

(d) Except for its initial meeting, the provisions of Rule 20 shall not apply to meetings of the special investigating committee, but the chairman shall give notice of all meetings to the member named in and the chief sponsor of the initiating resolution and shall give reasonable notice to the public. The member who is the subject of the initiating resolution shall have the right to counsel during proceedings of the special investigating committee.

(e) Except for subsection (c), this rule may be suspended only by an affirmative vote of 71 members.

94. REPORT OF SPECIAL INVESTIGATING COMMITTEE.

(a) The special investigating committee shall report in writing. All reports shall be signed by the members supporting the report.

(b) If a majority of the membership of the special committee determines to prefer charges, it shall file with the Clerk of the House a formal statement of charges and specifications, and shall appoint two members of the House, one from the majority and one from the minority party, who are not members of the special investigating committee to be managers for the House at the hearing on the charges. The statement of charges shall constitute the report of the special committee but the special committee in its discretion may file a supplementary report stating its reasons for not bringing any other charges which may have been suggested to it.

(c) If the special committee determines not to prefer charges, it shall file with the Clerk a resolution exonerating the member named in the initiating resolution together with a report stating its reasons for not preferring charges.

(d) If the special committee cannot by majority vote of its membership determine whether or not to

prefer charges, the committee shall file with the Clerk a resolution of exoneration and a report stating the affirmative reasons for not preferring charges. That report shall be signed by all members of the special investigating committee, irrespective of their original vote in the committee proceedings on whether to prefer charges.

(e) This rule may be suspended only upon an affirmative vote of 71 members.

95. SELECT COMMITTEE ON DISCIPLINE.

(a) Whenever charges are preferred against any member of the House pursuant to Rule 94, the Speaker and the Minority Leader shall appoint a committee, to be known as a select committee on discipline, to hear and determine such charges. The select committee shall consist of twelve members of the House, six of whom shall be appointed by the Speaker from the majority party and six of whom shall be appointed by the Minority Leader from the minority party. The Speaker shall appoint a chairman of the select committee from among the twelve members. No member who served on the special investigating committee nor any sponsor of the initiating resolution may be appointed to the select committee.

(b) All appointments to a select committee on discipline shall be completed and the select committee shall convene within 30 days of the filing of charges for which the committee is appointed.

(c) This rule may be suspended only upon an affirmative vote of 79 members.

96. HEARINGS ON DISCIPLINARY CHARGES.

(a) Proceedings before the select committee on discipline shall be adversary in form, with the managers for the House presenting the case for disciplinary action. The respondent member may be represented by counsel.

(b) Stipulations of fact shall be encouraged by the select committee.

(c) The rules of evidence applicable to criminal proceedings shall apply except as may be waived by the managers or respondent, as may be appropriate.

97. REPORT OF SELECT COMMITTEE.

(a) The committee shall vote on each specification and charge, provided that a vote of exoneration on a charge shall be a vote as to all specifications under that charge. All final votes on the merits of a charge or specification shall be by record roll call.

(b) A finding of fault or exoneration on any specification or charge shall require an affirmative vote of a majority of the members appointed to the select committee.

(c) The committee shall file a report of its findings on each specification and charge and a recommendation as to penalty with the Clerk. The report shall state the reasons for each conclusion and recommendation. If the committee finds the respondent member exonerated regarding any charge, it shall report a resolution of exoneration together with its report. If the select committee finds the respondent member at fault regarding any charge, it shall report a resolution embodying its findings and recommended penalty.

(d) If a select committee reports a finding of fault regarding any charge, any member of the select committee may file a minority report with the Clerk either dissenting from a finding, reason, or recommendation in the majority report or stating a concurrence therewith on different grounds. A dissenting report may include a resolution of exoneration as to any charge or specifications.

(e) Whenever a select committee has found a member at fault regarding a charge, the committee

shall adopt a recommendation for disciplinary action. The committee may recommend a reprimand, a censure, expulsion from the House, or that no penalty be invoked. The recommendation on disciplinary action shall require an affirmative vote of the majority of the membership of the select committee.

(f) This rule may be suspended only upon an affirmative vote of 71 members.

98. HOUSE ACTION ON DISCIPLINARY REPORTS.

(a) The report of a select committee, together with any dissenting or concurring reports, and any accompanying resolutions, shall be printed and placed on the members' desks. The report shall be placed on the calendar under the heading "Report of Select Committee on Discipline". The report shall be carried on the Daily Calendar for two legislative days prior to any action by the House.

(b) If the report of a select committee or a special investigating committee exonerates the respondent member, the House shall take up the resolution or re-refer the case to the committee for further proceedings.

(c) If the select committee reports a finding of fault as to any charge, the House shall take up the resolution for disciplinary action together with any minority resolutions. The House may amend a resolution for disciplinary action to decrease the recommended penalty.

(d) The House shall take action by a record vote on each such resolution. Adoption of a resolution finding the respondent member at fault regarding charges and specifications shall dispose of any minority resolutions of exoneration on such charges and specifications. If the House adopts a resolution of exoneration as to any charge or specification, a majority resolution shall be amended in accord with

such disposition of those charges and specifications before it may be called for a final vote. If the adoption of exoneration resolutions disposes of all the charges and specifications in a majority resolution for disciplinary action, the majority resolution shall be tabled.

(e) Following record votes on all majority and minority resolutions arising out of a select committee finding of fault on a charge or specification, if there remains any such charge or specification on which the House has neither exonerated the member or adopted a finding of fault, then any member may introduce and move a resolution of exoneration on such charge or specification.

(f) A resolution finding a member at fault regarding a charge may be adopted only upon an affirmative vote of 71 members, provided that a resolution the effect of which is to expel a member may be adopted only by an affirmative vote of 79 members.

(g) This rule may be suspended only upon an affirmative vote of 79 members.

HOUSE OF REPRESENTATIVES TABLE OF EXTRAORDINARY VOTE REQUIREMENTS

Under parliamentary law, legislative actions generally require a simple majority, i.e. a majority of those voting on the question. However, the Illinois Constitution of 1970 and the House Rules frequently impose requirements for greater, or extraordinary majorities.

The most common extraordinary majorities are: (1) a "constitutional majority," a majority of the members elected, which is 60 in the House; (2) three-fifths of the members elected, which is 71 in the House; and (3) two-thirds of the members elected, which is 79 in the House.

In the House, "present" votes are recorded, but disregarded in determining the results of a vote. (Rule 52)

HOUSE RULES REQUIREMENTS — RULES SUSPENSIONS

Generally, a House rule may be suspended by 60 votes.

However, several rules provisions require either 71 or 79 votes to suspend, because the particular provision specifies or because of the general rule that suspension of any procedure which requires an extraordinary majority requires that same extraordinary majority to suspend it. (Rule 72(b))

In addition, some rules are non-suspendable, and some suspension motions require unanimous consent to make the motion, if the motion is not printed on the calendar.

Following are those rules which explicitly require more than 60 votes to suspend. All other provisions may be suspended by 60 votes, except where the provision being suspended involves an extraordinary vote requirements.
